Education

INSTITUTE OF ENGINEERING & TECHNOLOGY - DEVI AHILYA VISHWAVIDYALAYA INDORE

Sept 2023 - May 2027

Bachelor of Engineering in Information Technology

- o GPA: 7.8/10.0
- Coursework: Data Structures & Algorithms, Operating Systems, Database Management Systems, Object Oriented Programming, Computer Networks, Software Engineering

Experience/Project

SANSTHAEIN AUR SAMVIDHAN

sansthaein aur samvidhan

Gamified Platform for Simplified Understanding of the Constitution

- Backend Development: Designed and implemented backend controllers for various features including quiz games, live scores, animated modules, leaderboards, and language change functionality.
- Database Management: Handled database operations, including designing schemas, managing data storage, and optimizing queries for performance and scalability.
- Content Integration: Managed databases to store and retrieve articles and live scenarios related to constitutional rules, ensuring accurate and up-to-date information for users.
- Animated Modules: Integrated animated educational modules to make learning more interactive and engaging.
- Multilingual Support: Enabled language change functionality to cater to a diverse user base, ensuring accessibility and inclusivity.
- o Tools & Technologies: Node.js, MongoDB, Cloudinary, Mongoose .

SIMON GAME github.com/name/repo

Developed an interactive memory game using HTML, CSS, and JavaScript, featuring dynamic color sequences and real-time user feedback.

Skills

- Languages: C++, C, Python, JavaScript, SQL.
- Backend Web Development: Node.js, Express.js, PostgreSQL, MongoDB, REST API
- o Tools & Technologies: Git/GitHub, Postman, Linux, UNIX, Windows

Achievements

2024 Ranked among the top 30 teams in Internal SIH.
